

# May 2013's new members

Pudding is a Yorkie who is a little shy with other dogs but clearly enjoys a good run! Mary tells us that Pudding loves to go for a gallop at lford playing fields, or Southbourne or Hengistbury Head beaches, topped off by a visit to a dog friendly tea gardens at Tuckton. Sounds wonderful!

Brandy is a cockapoo who is now 6 months old but here she is at just 11 weeks enjoying her toys. Alison says that in the winter nothing beats walking with her at Sandbanks beach followed by a coffee at the cafe. (Walk-and-sustenance are popular this month!)

Midgie needs a lot of exercise to keep her happy - apparently she has been known to throw a tantrum if she's left behind!

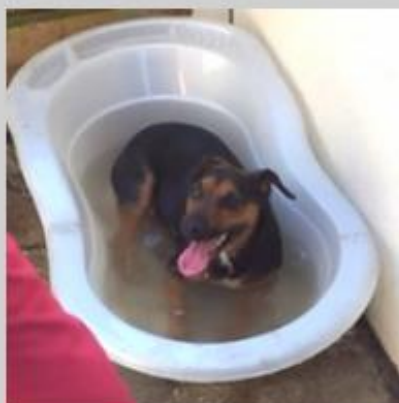

Amy says "during the Summer we try to go out first thing in the morning when it is a bit cooler or, if we both fancy a lie in, try to find somewhere shady with lots of water to cool down in. Midgie loves water - rivers, sea, ponds and bogs!"

McKinley ("Big Mac") is a Greater Swiss Mountain Dog, Steve says that he is one of only 100 in the UK!

Mbali is a Rhodesian Ridgeback who loves playing with other dogs and going for a run alongside Caroline on her bicycle. Caroline recommends [Wareham Forest](#) as a great place to go with your dog.

Buster's having a cool down in his very own tub after a hot romp in the garden - what a brilliant idea Lisa!
