

# July 2013's new members

## Boo

Boo can not only jump 6 feet in the air but she also enjoys a good run followed by a flake out with Sarah! She goes to a lovely variety of places - including Meyrick Park, Kings Park, Queens Park, Boscombe beach & Shelley Park!

## Millie Mollie

Millie Mollie looks like another lovely bundle of exuberance!

She's a West Highland Terrier who loves meeting new dogs (good job too as 'Mum' is a dog walker!) and taking car rides to lots of different places.

## Jazzy

Jazzy is a Cypriot rescue dog, what soulful liquid eyes!

Jane takes her to Pamphill river walk, Corfe Mullen Rec & Uddens Plantation by Cannonhill but despairs of the dog bag problem there - 'Too much dog waste left at Uddens drive in bags but in piles also hanging from branches of trees awful problem'.

Dorset Dogs are with you on that Jane - like the [doggy do code](#) says, 'bag it AND bin it' - if there are no bins just take it back to your own bin (you can always double-bag it or use one of the special bags or containers on the market if you don't like carrying it obviously in your hand or putting it in the car)

## Alfie

and this is Alfie, a cocker spaniel who lives with Jazzy and also enjoys taking different walks - one of their favourites is Compton Abbas - a little further to go but fantastic views!

## Fitch

Here's Fitch the toy poodle & like so many of this month's new member dogs he's a great adventurer, enjoying many places including Southbourne Beach, Fishermans Walk, Hengistbury Head, Tukton Tea Gardens.

Ross says the beach where they walk is a good place for dogs as they are 'allowed all year round, lots of waste bins'.

## Oscar

Oscar is a west highland x jack russell and another great traveller, too many to list but they include (deep breath): Creekmoor woods and ponds, various [beaches](#), [Wareham Forest](#), the New Forest, Lulworth, [Studland](#), Badbury Rings, Kimmeridge Bay & Hengistbury Head!

Margarette tells us 'Oscar is a very cheeky dog. He loves being chased and jogging with the family. He is fantastic at swimming and retrieving objects such as a stick or a ball. he likes lots of cuddles and sitting on laps. He enjoys playing catch on the stairs. Oscar's favourite toy is a soft toy turtle. He takes it everywhere'.

## Alfie

And now I have to declare partiality - this is my dog Alfie - he's around 2 years old, a rescue dog, probably a samoyed cross, who is BRILLIANT with people (see below, with my nephews!) and 'his' cat Tigger (now he's stopped trying to 'play' with him - it *only* took 3 days AND nights with him on the lead at home... )

...he even makes way for cyclists/joggers when I ask him to 'mind over Alfie' but at the moment he's in training as he wasn't socialised with other dogs when he was younger so he is quite anxious about them and *usually* barks & lunges at other dogs especially since having a couple of bad experiences with off-lead dogs - so he generally wears the '[yellow ribbon](#)' at the moment while he's in training to overcome his worries; if you haven't heard about the scheme follow the link to find out more.
