

June 2014's new members

Juno

With a name like Juno this 4 year old border terrier just had to be June's Dog of the Month!

We know he's a lovely little chap as he visited the Dorset Dogs pit stop when we went to Portland's 'Festival of the Sea' recently, he was a little smasher who had a quiet relax in the shade with us.

Juno lives on Portland so walks the Portland paths and also enjoy Church Ope Cove beach, the Coast Path around Portland, Weymouth Beach in the winter and the Fleet.

Sheila told us "Juno is tagged and chipped, he returns on the whistle - so long as a bunny doesn't distract him - which means that when he's on Portland he is mainly on the lead!" Sounds like he's pretty good at following [the doggy do code](#), with a bit of timely lead work and encouragement from you Sheila!

Ayesha

Lovely Ayesha is a Spanish Water Dog-Shepherd mix of nearly 12 years old.

She lives with Vikki in Bridport and enjoys exploring new places, West Bay and other coastal venues and cliffs and various walks around Bridport.

Vikki says Ayesha is "Same age as me so very amenable. Loves swimming but hates rain! Chases ball or stick, hates me going out without her".

Nala

Nala is a 3 month old Springer who definitely has the 'arrrrr' factor!

She does some lovely explorations with Carina around West Moors area, the Castleman Trailway, Moors Valley Country Park and Potterne Park.

Carina particularly recommends "The [Castleman Trailway near West Moors](#) is great" and adds that she'd like to see more dog-friendly pubs to stop off when they're out & about on their walks.

Wookie

Sarah lives with Wookie and Alf, who are both 4 years old. Wookie is a handsome Saluki.

Alf

Alf is a lurcher who lives with Wookie, it's lovely to have one of Alf's humans in the photo too! Looks like they're having a great day out.

To find out more about the places where you walk and discover new places too, visit our ['Out & about'](#) pages.

Millie

Millie's a cocker who loves anywhere with woods or water - sounds familiar! [Delph Woods](#) & [Wareham Forest](#) are great favourites.

Fizz

Fizz and Rufus are both lab crosses, Clare says

"They both love the open forest & getting wet or dirty" - aha we can see that from this photo of 8 year-old female Fizz!

Rufus

Rufus is the youngster at just one year old, and also enjoys Wareham Forest, and the beach in winter.

Happily, some beaches in Dorset are dog-friendly all year round - check out the [out & about pages](#) to find out more.

Harlequin

Harlequin is a one year old Rottweiler who lives in Twyford but regularly goes walking in West Dorset, with East Beach and West Bay being special favourites.

Trudi says she's a lovely friendly girl who loves to play with other dogs.

Hemlock

Lee visits Dorset with Hemlock & Prue and tells us:

"We normally walk them in Lancashire and West Yorkshire on the moors and woods where we live. But are looking forward to taking them both on their first big camping holiday.

Both dogs are rescue dogs we have had for under a year. So are having training to overcome their troubled pasts. Hemlock is nervous of new dogs at first"...

Prue

..."Prue can be a little shy around new people. Both are doing great and have their own Facebook page. We camp in Corfe. But are looking forward to the beech, moors and forests with them".

Prue is a boxer of around 18 months old.

Welcome

to all the other June new members:

MOSS a collie cross who enjoys walking with Katie at [Bytheway](#), [Cannonhill](#) & [Wareham Forest](#) - three of Dorset Dogs' favourite dog-friendly places!

Have you noticed [Bytheway](#) & [Cannonhill](#) & [Delph](#) have lots of fans this month? - there were local pit stops in that area so we've lots of new members who are locals!

MANDY the Springer who enjoys another of Dorset Dogs' favourites - [Delph Woods](#) as well as lovely busy beachside [Hamworthy Park](#). Hamworthy Park nearly lost its welcome to dogs due to dog fouling but local responsible dog walkers worked on a clear-up campaign to keep the park open for dogs - so, happily, responsible dog owners do remain welcome.

AMBER another collie cross, from West Moors.

ELLIE a lab who enjoys Bytheway, riverside walks and of course at this time of year - the beaches!

ASHA & HOLLY, one black one yellow lab, fans of Bytheway, Cannonhill & Moors Valley Country Park who both love walking in trees and swimming.

KIZZIE, a West Highland White (aka Westie!) who at 14 and a half is still heartily enjoying Stour-side walks and Bytheway field.

JANNA a champagne German Shepherd who enjoys the Castleman Trailway route from Merley to Broadstone.

CASPER a mini schnauzer who loves meeting other dogs and having a good run.

HARRY a Jack Russell & SIROTICA (Sissy) who has a heart-wrenching history. SISSY is a rescue dog from Bosnia who was used as a 'bait dog' and had horrific injuries.
