## **Gaudi** - Dog of the Month

Gaudi is a handsome 2 year old Bernese Mountain Dog who lives in Colehill.

Susan told us 'He loves to play but due to his size many dogs run or behave aggressively [because they are scared]. He loves fox poo' - mmm we've heard of a few with that particular foible!

Favourite walks include Cannon Hill Forest, Bytheway Field, Delph Woods and Hengistbury Head - you can find most of those on our ['Out & About'](#) pages. Hengistbury Head will be on there soon, a very popular place for many members!

## **Rio**

Rio is a water-loving German Shepherd from Bransgore.

One of his favourite places is St Catherine's Hill in Christchurch.

## **William**

William is a toy poodle from Swanage.

He lives with Scotties Pierre and Henri, this trio love exploring sand dunes on their walks and another favourite is Wareham Forest.

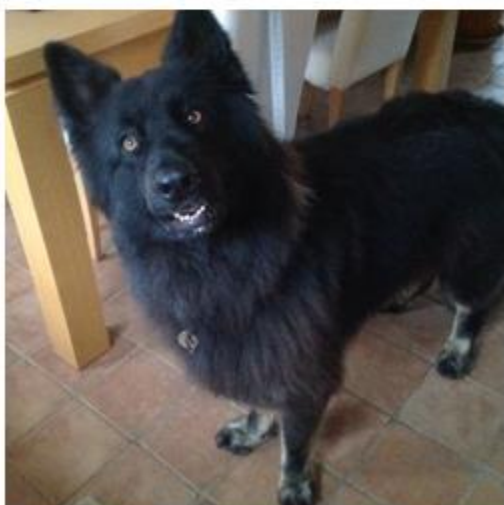

## **Henri**

... so here's Henri the second of the trio...

and now to complete the trio with...

## **Pierre**

## **Bear**

Five year-old Bear from Dorchester is another water-baby, so the coast and rivers are a favourite. [Thorncombe woods](#) is another, brimful of bluebells in late April & May, whilst [Puddletown Forest](#), the Dorset coast path, [Studland](#), and the Dorset Ridgeway are just some of the other wonderful walks that Bear enjoys.

## **Storm**

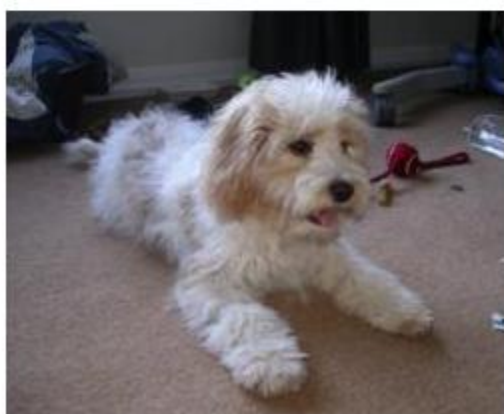

Storm, a Labrador from Taunton, is eight years-old and has just retired from working trials, and has left this to his younger pack mate Finn, who is three.

Favourite walks include Wareham Forest, [Upton Country Park](#), Bovington, and Bere Regis.

## **Finn**

Well, we can see that three year-old Finn is doing rather well! And doesn't red look good with that midnight coat!

## **Pebbles**

Pebbles from Corfe Mullen is a beautiful Cavachon of 10 months old.

She can often be found walking around Upton Country Park - I bet she's enjoying the the new off-lead fields.

## **Nelson**

This gorgeous 3 year old Irish Setter from Shropshire loves walking around Rugby pitches! I expect it's all the fuss he gets.

He will be visiting Bridport in June with his house mate Gunnar.

## **Joey**

This Jackapoo from Eastbourne does agility, he might like to join in with one of Dorset's agility groups when he visits Dorset - you'll find them on our events pages Joey!

Joey lives with Sam, below.

## **Sam**

So here's Sam, a nine year old Lhasa Apso who according to his owners is a little bit stubborn!

These two are another pair who appreciate the open space and sea at Hengistbury Head.

## **Gizmo**

This 'cute but sometimes very stubborn' Wolf/Sable Pomeranian is only 17 weeks old and lives in Ferndown with his owner Dawn.

He loves walking around Parley Common, a place rich with heathland wildlife.

## **Jessie**

Jessie is a rescue dog from Pound Puppies and is about 20 months old.

She is a Staffie/ Whippet cross, and is an adorable nut, full of energy!
