Rollie & Daisy May - Dec Dogs of the Month

Rollie has just retired from racing so Trudi is just introducing her to a whole new life with her and Daisy May. They live in Fordingbridge but are frequent visitors to Dorset.

Daisy May is a lovely 11 year-old Jack Russell who is helping Rollie to discover and enjoy some of her favourite places in Dorset.

Some greyhounds have a very hard life after retirement so Rollie is one of the lucky ones - you can find out more at [Greyhound Rescue West of England](#)'s website.

Barney - January 2016 Dog of the Month

What a smashing photo of Barney the Staffordshire Bull Terrier!

Barney is two and a half and lives with David in Bridport, their favourite walks are around West Bay and the paths that lead to it.

Ella with Toto

Well these 2 were obviously made for the word 'adorable' and .. Frances says Ella is 'a special girl'.

Toto

...well definitely an 'ahhhhhh' for this 2 month old Border Terrier!

Purdy & Cara

Sarah told us their stories:

CARA an amber & white lurcher: "Cara is a classic couch potato. Life has been very unkind to her. She was a rescue dog who was emaciated and in a poor state & pregnant. We have had her about 2 years. Finally getting more confident and sings for her supper. Doesn't like running; prefers to just meander along at my side.

PURDY a black lurcher- Totally opposite to Cara; lively, crazy, sleeps on her back with her legs in the air. Had her from 9 weeks...she picked us. One of a litter of 12. Such a happy dog that she wagged her tail so hard she broke it on various occasions. Vet said only thing to do was to dock 1/3. Now wags like a metronome. A joy to have around."

Wellington Boot

Another gorgeous little one! Just about due to be unleashed on the wider world in February.

Murphy, Bramble & Reilly

Sue says: They are extremely sociable dogs, they love fun agility (I'm still trying to find somewhere for them to join), go to obedience classes & will walk forever !

Lovely photo too Sue!
