

# November & December 2016 New Members

*If you send in a photo of your dog when you [join online](#) you will automatically be one of our 'Dogs of the Month'!*

*Did you know Dogs of the Month have their own special class at Dorset Dogs' annual Festival.*

*Don't forget we'd LOVE to see you with your dog in the photos too!*

**Wonderful winters' woofers! Say hello to.....**

## Lady

Ah now I know this special Lady! I'm afraid to say I stepped on her foot on one of our Guided Walkies! She's since been along to more with housemate Rosie and I think she's forgiven me!

See if you can spot Lady on the recent walkies to Agglestone Rock - take a look through the [photo album](#)

## Rosie

This is Lady's housemate. Kev and Louise told us that Rosie & Lady love to go on walks and meet new doggie and human friends - we can vouch for that as you can see from the photos (link above).

Rosie also loves to go in the sea.

These 2 regularly visit [The Milldown](#), another great place for dogs who like to socialise!

## Evie

Evie and Lola are housemates from Portland, Evie's a Jack Russell.

Kerry says 'Our dogs love long walks off the lead preferably and enjoy exploring new places. They especially like being by the sea and often have a little dip'. Brrr I expect they ask for a good rub down to warm and dry after that at the moment!

## Lola

...and Lola's a mixture of breeds. They enjoy Weymouth Beach in the winter and take trips to the New Forest in the summer, as well as regular walks around Portland including Portland Bill (do you know Portland? Unusual landscapes and wonderful views) and Lodmoor.

## Ellie

Westie Ellie is only 18 months old and loves 'cuddles, laps and walks - not so keen on cats and hedgehogs!' - *many dogs have a hedgehog fascination! Does yours? I'm guessing aversion comes with overenthusiastic experience..*

Ellie enjoys some of our favourite places, like the North Dorset Trailway, Kingston Lacy, Stour Meadows, Studland and Sandbanks - you'll find them all on the ['Out and About' pages](#).

## Maddy

This little Jack Russell "is great fun, mad as a bag of frogs with lots of energy!" says Karen.

She enjoys lots of lovely walks around the Frampton area.

## Pip

This cocker isn't daft! He is a fan of [Upton Country Park](#) and [Wareham Forest](#) - great places to run off all that energy!

## Poppy

John says Chorkie (Yorkie x Chihuahua) Poppy "She enjoys being off the lead but is happy on the lead when I take her down Poole High Street, looking for scraps".

She enjoys Baiter Park when it's not waterlogged, that one is on the Poole shoreline, it's not on the 'out and about' pages yet but you can find out more at [Baiter & Whitecliff Park \('Harbourside'\)](#)

That's one of the places we've held 'information pit stops' and guided walkies this year (keep an eye on the events pages or [Facebook](#) for more). Look out for [those birds!](#)

## lip-smackin' Rosie!

This Rosie is a Yorkie from Swanage and we hear she has a seagull friend!

Do tell us more Jasmine who's this seagull friend? Email [dorsetdogs@dorsetcc.gov.uk](mailto:dorsetdogs@dorsetcc.gov.uk) !

## Patch

Patch is a rescue dog, he's such a loving dog to humans, but is in training as he's not so great around other dogs yet. He's a Patterdale cross Jack Russell - a Patterjack!

## Bonnie

Mary says this Nova Scotia Duck Tolling Retriever "...is very independent, not the most affectionate but does love a good tummy rub" - ah it's a dog's life!

As you might expect she does enjoy the water!

## Welcome!
