

Welcome to our November members.....

## Luna

Luna and Obi were rescued from Spain and have been enjoying walks in the Purbecks and by the sea.

Luna is a 4 month old Basset Fauve de Bretagne.

**During the spring & summer months we're asked by local Rangers to inform people about where they need to be aware of birds nesting on the grounds on heaths or other specialised habitats - in autumn and winter it's the birds who flock to our Dorset coast who need extra care....**

**The flocks may be exhausted and hungry after long journeys or simply trying to survive the winter so we can help by keeping our distance and making sure our dogs do too, so they can feed and rest in peace. Find out more about them or do our quiz by clicking here!**

## and Obi

Obi is a 1 year old Griffon Fauve de Bretagne.

Kate told us that they are looking for enclosed fields - find out more about [securely fenced sites, enclosures and fields](#) in our Wagipawdia or about the securely fenced area at [Upton Country Park](#) and [Slades](#).

## Rosie

Rosie is a 4 year old Cockapoo from Bournemouth who likes to walk at Kings Park, [Queens Park](#) and most of all Hengistbury Head.

## Gilbert

Gilbert is a 2 year old Whippet who lives with Gracie in Sturminster Newton.

We were very happy to meet Gilbert and Gracie at the Sandbanks Guided Walkies earlier this month.

## and Gracie

Gracie is a 1 year old Whippet.

Gilbert and Gracie recently moved to Dorset and have been discovering new walks daily. They love woodland walks and Studland or any other sandy beach walks all year round.

If you are new to the area and want to explore Dorset with your dogs you will find lots of great walks on the Out & About pages of the website or join us on one of our sociable Guided Walkies - details on the Events page.

## Amber

Diane told us that this photo of 7 year old Cavalier King Charles Spaniel, Amber, was taken in Witchampton in a wood filled with Snowdrops. If you are lucky you may also see a resident Kingfisher that lives on the river.

Other than Witchampton, Amber enjoys walks at [Potterne Park](#), Verwood, Stephen's Castle and Wimborne.

## Rudy

A 2 year old Siberian Husky from Poole, Carla tells us that Rudy is a beautiful boy with a fantastic and fun nature. He can be a little bit mischievous but his eyes make you melt.

Rudy regularly walks in Bourne Valley, Slades Farm and [Branksome Chine](#) but his favourite place is the beach.

## Pippi

And last for our photo members is 1 year old Pippi. Linda says that Pippi likes to take her for walks to see her friends every day. She loves her ball and Linda, in that order, and she loves your ball even more! She also loves to eat rotten fish and earth!

Pippi is a regular at Baiter Park and recommends walking the Dorset coast along the South West Coast Path, part of which was the very first section of the coast path that will ultimately go all around the English Coast (the England Coast Path).

## Welcome!
