

Bear

Bear is a 5 month old Tibetan Mastiff from Bournemouth who enjoys walks at Hengistbury Head.

During the spring & summer months we're asked by local Rangers to inform people about where they need to be aware of birds nesting on the grounds on heaths or other specialised habitats - at this time of year dogs need to stay on the paths with us in those areas.

Check out the 'out & about' pages to find off-lead places to go, all-year round dog-friendly beaches and more information about nature reserves and their wildlife too!

and George

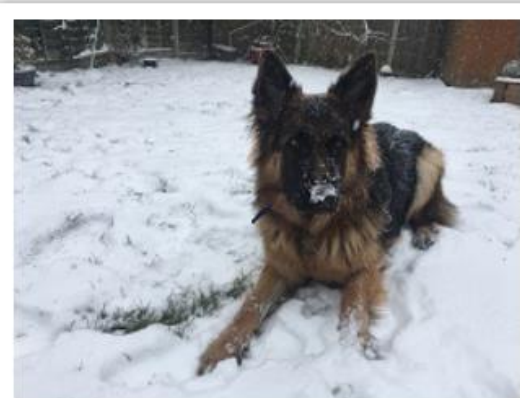

George, a 7 year old Chocolate Labrador cross lives with Bear and they both love the sea.

Amber

This 9 year old Tibetan Spaniel from Suffolk normally walks on Lowestoft Beach but enjoys walks at Hengistbury Head when in Dorset.

Spot

This 7 year old Whippet Cross regularly walks at the Stour Valley Nature Reserve. Walking by the River Stour is one of his favourite things to do - wonderful wildlife and very dog friendly.

Lottie is a 3 year old Cockapoo from Somerset who walks in Bincombe Beeches in Crewkerne, Ham Hill and Ninesprings and suggests Burton Bradstock as a great dog walking site. Yvonne says that she is glad that Lottie is well behaved because they like to take her everywhere they go.

These four are Continental Cavapoos that have travelled widely through Europe including Germany, Croatia, Slovenia and the Czech Republic last Summer. In the winter they are 'Pups on the Piste' and join their humans skiing in the Italian Alps.

Despite all this globetrotting, their favourite view in the world is Hengistbury Head!

Tia

A 3 year old Staffordshire Bull Terrier who struggles with first impressions but after a few minutes in the company of another dog is fantastic and loves to play.
