

## Molly

Molly is a 7 year old Miniature Poodle from Gillingham.

During the spring & summer months we're asked by local Rangers to inform people about where they need to be aware of birds nesting on the grounds on heaths or other specialised habitats - in autumn and winter it's the birds who flock to our Dorset coast who need extra care....

The flocks may be exhausted and hungry after long journeys or simply trying to survive the winter so we can help by keeping our distance and making sure our dogs do too, so they can feed and rest in peace. Find out more about them or do our quiz by clicking here!

## and Orka, Kai and Miiko

Molly is mum to Orka and Kai and Kai is mum to Miiko.

## Thanos

Thanos is a Sprocker Spaniel who regularly walks at Shearwater lake and field where there is a lovely stream that the dogs love to play in together.
