

Wilson

A 3 year old Black German Shepherd who regularly walks in Kinson Common and Canford Heath.

Steph told us that Wilson is a very fluffy German Shepherd who loves cuddles, walks, playing and eating. Wilson particularly loves walks in the New Forest.

During the spring & summer months we're asked by local Rangers to inform people about where they need to be aware of birds nesting on the grounds on heaths or other specialised habitats - in autumn and winter it's the birds who flock to our Dorset coast who need extra care....

The flocks may be exhausted and hungry after long journeys or simply trying to survive the winter so we can help by keeping our distance and making sure our dogs do too, so they can feed and rest in peace. Find out more about them or do our quiz by clicking here!
